We are hosting our 2nd annual FREE “Rooted in Wellness ”:Community Health Festival. This is an event , where we will serve the community through various health care screenings, health and wellness activities, and a variety of professional guest speakers. In addition attendees will meet with and acquire information concerning various medical concerns via literature and pamphlets. Also, a mini workout session with a licensed physical trainer. The attendees will be able to fellowship with their neighbors, connect with the community and learn more about medical services sponsored by the City of Houston.This event will be on Saturday, February 22, 2025 from 10 am - 3 pm at The Third Ward Multi Service Center, 3611 Ennis St., Houston, TX 77004.

An event of this magnitude will need sponsors, vendors, volunteers, and donations. We would love if your organization/ business would assist by being a sponsor for this event. We are in need of monetary donations and volunteers. Volunteers will be there to assist in different areas at the event. A few areas are registration, aiding the children in their designated area, setting up and breaking down and possibly aiding the various vendors in passing out the items to the attendees .
